

Maseru Private Academy Anthem

*In Maseru's heart, where knowledge takes flight, **Maseru Private Academy**, a beacon of light. With minds awake and spirits ablaze, We chase excellence, forever in its gaze.*

***Unity**, our bond, a fortress ever strong, **Faith**, our guiding star, leading right where we belong. **Discipline**, our shield, protecting from all harm, **MPA**, **MPA**, our voices rise in a storm.*

Through classrooms and fields, laughter rings true, Embracing challenges, what we're born to do. From language to math, science to art, We nurture our talents, playing each part.

***Unity**, our bond, a fortress ever strong, **Faith**, our guiding star, leading right where we belong. **Discipline**, our shield, protecting from all harm, **MPA**, **MPA**, our voices rise in a storm.*

Honesty and respect, our guiding light, Building a future where darkness takes flight. Empowered by knowledge, we face every test, With unwavering spirit, we always give our best.

***Unity**, our bond, a fortress ever strong, **Faith**, our guiding star, leading right where we belong. **Discipline**, our shield, protecting from all harm, **MPA**, **MPA**, our voices rise in a storm.*

***Maseru Private Academy**, forever we stand tall, **Unity**, **Faith**, and **Discipline**, answering our call. With voices united, our anthem inspires, To reach for the stars, setting our souls on fire!*
